

# Pesticide Notification

## DISTRICT POLICY

The Kahlotus School District, in accordance with state law, is providing written annual notification to parents or guardians and employees describing the District's pest control policies and methods. It is the policy of this school district that the health and safety of students and staff shall be of primary concern when pesticides are used to control weeds, molds, fungus, rodents, insects and other unwanted pests.

## WHO APPLIES PESTICIDES

Pesticide applications will be made by trained District employees or commercial pest control applicators. District employees will obtain appropriate licensed as necessary. Students may apply pesticides under the supervision of a teacher as part of the agriculture/animal husbandry/horticulture/science program.

## PESTICIDES USED IN THE DISTRICT

Pesticides applied on a regular basis (more than twice a year anywhere in the District) include Roundup Original Herbicide, Moss-Out, Misty Insect Spray, Raid Wasp & Hornet Killer, d-CON Bait Pellets II Kills Mice and Advance Granular Ant Bait. Other pesticides may be used on an occasional basis.

## NOTIFICATION PROCEDURE

The District will provide notification at least 48 hours before applying a pesticide if school will be in session within 48 hours of application. This notification will be posted in a prominent place in the main office of the school/site. Also, it will be distributed to interested persons who arrange to be notified by mail, email or phone with the District (call 509-282-3338 to make arrangements for notification or mail the request form attached below).

## REGISTRATION FOR PRE-APPLICATION NOTIFICATION

Pre-notification will be provided to requesting parents or guardians and to requesting School District staff members for the school/site of a pesticide application at a minimum of forty-eight hours before an application. Please fill out one registration for each household or call 509-282-3338 to request notification. This form must be submitted each year to receive notification. Succeeding notices will be published each September.
